

DELL UNIVERSAL DOCK – D6000

Universal and versatile.
Fast and simple.

UNIVERSAL DOCKING SOLUTION

Conveniently attach any laptop equipped with USB-C® or USB-A and connect easily to displays, keyboard and mouse and audio devices whether at home or in the office.

ENHANCED PRODUCTIVITY

Do your best work faster by plugging in a single USB-C cable and transfer audio, video, data and power without the need for an additional power adapter.

HIGH RESOLUTION VIEWING

Enjoy Ultra HD 5K on a single screen or up to three 4K displays via USB-C*† thanks to DisplayLink® technology.△

PEACE OF MIND

Rest assured that your universal dock is protected by a 1-Year Limited Hardware Warranty¹.

Work at full speed.

UNIVERSAL DOCKING SOLUTION

Conveniently connect any laptop equipped with USB-C or USB 3.0 with the Dell Universal Dock – D6000. Enjoy universal compatibility with a wide range of PC brands and operating systems supported by DisplayLink technology. Whether you're at your desk or in a shared workspace at home or in the office, you can easily connect to displays, a mouse, keyboard and audio devices from your compatible system of choice.

HIGH RESOLUTION VIEWING

Connect with up to three 4K displays simultaneously*† or experience 5K resolution on a single screen thanks to DisplayLink technology.^

FAST AND CONVENIENT

Get to work faster with a single USB-C cable connectivity for video, audio, data and power. The single cable eliminates the need for an additional power adapter — keeping your workspace clean and clutter free.

SUPPORT

Stay productive regardless of your work place. Get added peace of mind knowing that your universal dock is protected by a 1-Year Limited Hardware Warranty¹.
